Walnut Creek, CA (July 3, 2018) – A grand celebration with Mayor Wedel is set to commence on July 11th in honor of the 1st anniversary of Active Senior Living Day at The Heritage Downtown. Festivities will begin at 5 PM and continue through 7 PM. During this time, exceptional wine and hors d'oeuvres will be served, as well as a chance to mingle with other senior community members.

“We are celebrating our Downtown Walnut Creek Active Senior Living Program, the wonderful and ongoing extension of Active Senior Living Day proclaimed one year ago”, says Jenny Shively, Community Relations Director. It was on that memorable day in 2017 that Mayor Wedel officially recognized Active Senior Living Day with a ceremonial ribbon cutting and rebranding celebration.

With the intent of making this significant occasion, as well as future events even more special for the Active Senior Living residents, and all seniors in the community, the Heritage Downtown has partnered with other like-minded members of Walnut Creek. This includes the Leshner Center for the Arts and the Pacific Catch restaurant, along with several restaurants and businesses that would like to keep Walnut Creek an active senior community.

The Heritage Downtown celebration has attracted such guests as Mayor Wedel, Walnut Creek Chamber Ambassadors, City Council Members, local businesses, and other distinguished members of the San Francisco Bay area’s Walnut Creek community.

The Active Senior Living Day celebration will be an event that will strengthen the senior community and provide a sensational evening for the everyone to enjoy. All Heritage Downtown residents are welcome, as well as seniors in the community, along with their friends and family members.
