

# Live MUSIC SOCIETY

Our love for music runs deep at The Heritage Downtown, and we understand the vital role that music plays in the lives of senior citizens.

Engaging with live music allows seniors to express themselves. This could be through singing along, dancing, or simply sharing their experiences with others.

We offer a small venue to emerging talent and likewise create unforgettable experiences for our Seniors in their daily lives.

We support artists emerging in a variety of music genres that are looking to connect with audiences of all sizes and develop their craft.
